HOT PAPERS

Hot Papers are papers published in the last two years that are receiving citations quickly after publication. These papers have been cited enough times in the most recent bimonthly period to place them in the **top 0.1%** when compared to papers in the same field and added to the database in the same period.

2

HIGHLY CITED PAPERS

23

Highly Cited Papers are papers that perform in the **top 1%** based on the number of citations received when compared to other papers published in the same field in the same year.
