

The image features a stack of three light-colored envelopes on a dark background. The top envelope is open, showing a rectangular area with the handwritten text 'Gondoljon  
Reá' in a cursive script. To the right of this area are several horizontal lines for an address. A yellow fountain pen nib is positioned at the bottom right, pointing towards the envelopes. Three white birds are flying in the dark space below the envelopes.

Gondoljon  
Reá

a képeslap  
Szép emlék!
