

ABSTRACT VOLUME

Edited by
Gy. Dévai and M. Miskolczi

Xth INTERNATIONAL SYMPOSIUM ON CHIRONOMIDAE
Debrecen, 25-28, July, 1988
Hungary

Organized by the
Debrecen Regional Committee
of the Hungarian Academy of Sciences
with collaboration of
Lajos Kossuth University
and
Debrecen University for Agricultural Sciences

Organizing Committee

President

Prof. Dr. P. Jakucs

Secretary

Dr. Gy. Dévai

Members

Dr. I. Czégény	M. Miskolczi
Dr. I. Dévai	J. Nagy
F. Erdei	Dr. G. Palotás
Dr. Gy. Lakatos	Dr. L. Pócsi
L. Szabó	

Debrecen, 1988

6004833

C O N T E N T S

Scientific programme	9
Lectures and posters	17
1. ALECSEVNINA, M.S.: Species composition and distribution of Chironomidae in Kama reservoirs	19
2. ALI, A.: Chironomids, algae, and chemical nutrients in a lentic system in central Florida, USA	20
3. ANDREEVA, S.I. - ANDREEV, N.I.: Ecology of mass species of Chironomidae in saline lakes of the Northern Kazakhstan (USSR)	21
4. BAZERQUE, M.F. - LAVILLE, H.: Biological quality assessment in three plain-rivers of Picardie (France) with special reference to chironomids- and diatoms-indices	22
5. BUSKENS, R.F.M.: Monitoring of the chironomids in the restored Beuven (The Netherlands): comparisons with paleolimnological data	23
6. BUTLER, M.G.: Use of hypolimnetic enclosures for in-situ experiments on profundal Chironomus: results of pilot experiments	24
7. BYLMAKERS, L.: The colonization of artificial substrates by benthic invertebrates in the littoral zone of Lake Managua, Nicaragua	25
8. CASAS, J.J. - VILCHEZ, A.: A faunistic study of the lotic chironomids (Diptera) of the Sierra Nevada (S.E. of Spain): changes in the structure and composition of the population between spring and summer	26
9. CASPERS, N.: Podonominae, Diamesinae and Orthoclaadiinae from Turkey	27
10. COBO, F. - CASAS, J. - JIMENEZ, M. - MUÑOZ, I. - RIERADEVALL, M. - SEVILLANO, M. - SORIANO, O. - VILCHEZ, A. - PRAT, N.: A check-list and geographical distribution of Spanish Chironomidae	28
11. COFFMAN, W.P.: Factors that determine the species richness of lotic communities of Chironomidae	29
12. CONTRERAS-LICHTENBERG, R.: Notes on the females of west-palaeartic species of the genus Dicrotendipes KIEFFER, 1913	30
13. DELETTRE, Y.R.: Response of terrestrial chironomid communities to fire: an experimental study on heathlands in Brittany (France)	31
14. DÉVAI, GY. - MISKOLCZI, M. - WÜLKER, W.: Standardization of chromosome arms B, C and D in Chironomus (Diptera: Chironomidae)	32
15. EDWARD, D.H.D.: Gondwanaland elements in the Chironomidae (Diptera) of South-Western Australia	33
